# ICE FISHING

 *Keep It Clean*

Have fun this winter, but please remember to ...

- Respect families and shoreline residents
- Keep noise levels down
- Use public access points
- Practice proper catch-and-release method
- Take only the fish you need for yourself
- Use public portable toilets or bring a pail or chemical toilet
- Be familiar with the Ontario Fishing Regulations
- Bring garbage bags

You could be subject to fines if you:

- Leave garbage, including fish waste, on public lands or in waters
- Release live bait or the contents of a live bait bucket, including water, into any waters or within 30 metres of any waters
- Leave your ice hut on the lake after March 31 in Greater Sudbury or after ice breakup

Ice Huts:

- Mount your ice hut on blocks or runners to keep it off the ice for ease of removal
- Ice huts must be registered with the local Ministry of Natural Resources Office
- Clearly display your registration number on the outside of your hut
